

LEGACY SPORTS ACADEMY AFFILIATES

EAST COAST SOX BASEBALL ORGANIZATION

Legacy Sports Academy is a state-of-the art multi-sport complex featuring the largest indoor facility in Arkansas with over 20,000 square feet of indoor artificial padded turf. Legacy's primary athletic training and development focuses on baseball and softball.

The 9,000 square foot Performance Center contains six 70' batting/pitching cages and a 100' x 14' strength/conditioning training area. The 12,000 square foot Fieldhouse contains 110' x 110' of padded turf and netting with two retractable batting/pitching cages.

The Fieldhouse accommodates a 90' baseball infield with adjustable bases for baseball/softball base path distances. In addition, the Fieldhouse is perfect for football, soccer, lacrosse and scrimmages.

Our mission is to leave a Legacy for our youth delivering a True Athletic Experience that teaches character traits such as leadership, teamwork, respect, sportsmanship, positive attitude, solid work ethic, and athletic development, all while learning necessary life lessons and honoring God with their abilities.

East Coast Sox Arkansas Director, Josh Baker, shares, "The Legacy Sports Academy embodies the same values and principles of the East Coast Sox. Their leadership provides players with the opportunity to hear the gospel of Jesus Christ while at the baseball field."

The East Coast Sox are excited to partner with Legacy Sports Academy families to help their young men grow mentally, physically, and spiritually through the game of baseball.
